

What is the Energy Assistance Program?

The Energy Assistance program is designed to offset winter heating costs for low income (below 60% of state median income) households in Windham and Tolland counties.

Benefits are determined by total household gross income and liquid assets. Deliverable heated households may use benefits starting November 15th and ending March 15. Utility heated households (Eversource Energy, electric & gas) are eligible to participate in the matching payment programs and are protected from utility shut-off from November 15th through April 15. Rent or Own, you can apply!

All dwelling types are considered:

- Houses
- Mobile Homes
- Apartments
- Condominiums

How Do I Apply?

To apply for assistance, applicants must schedule an appointment and provide copies of the following documents for all household members.

- Names, birth dates and Social Security cards or legal documents.
