The Access Community Action Agency is the federal and state designated Community Action Agency (CAA) for the communities of Windham and Tolland Counties. We are a 501 (c)(3) nonprofit corporation whose mission is to deliver comprehensive, integrated human services in partnership and collaboration with individuals, families and communities. Access has been working with the low income population of Eastern Connecticut since 1965. We take a comprehensive approach to looking at the poverty related issues of individuals and families, and then develop a plan to help our clients overcome the challenges they face. In this manner we are able to help our customers achieve lasting independence and self-sufficiency.

What is the Program?

Access to Employment, “A2E,” is a new training program designed to help under and unemployed individuals in Northeastern Connecticut find and maintain successful employment in specifically identified job openings in the region. Job placement will be specifically within the healthcare and finance industries.

Information for Employers

The ultimate goal of A2E is to connect local employers with qualified job seekers as a means to foster mutual success. If you are an employer interested in hiring A2E graduates, please refer to the contact information on the flip side of this document.

Access to Employment is a unique job training program because it connects people with jobs while simultaneously supporting local business and industry.

Access Community Action Agency:

The Access Community Action Agency is the federal and state designated Community Action Agency (CAA) for the communities of Windham and Tolland Counties. We are a 501 (c)(3) nonprofit corporation whose mission is to deliver comprehensive, integrated human services in partnership and collaboration with individuals, families and communities. Access has been working with the low income population of Eastern Connecticut since 1965. We take a comprehensive approach to looking at the poverty related issues of individuals and families, and then develop a plan to help our clients overcome the challenges they face. In this manner we are able to help our customers achieve lasting independence and self-sufficiency.
